

### ### ThinkMH Pulse Tracker: Consolidated | June 2025

The Consolidated Tracker provides a complete 360-degree view of Maharashtra.

It integrates insights from:

- \* Economics
- \* Governance
- \* Politics

The report explores how these dimensions interact and influence one another, offering a comprehensive understanding of emerging trends, public sentiment, and future trajectories across the state.

This is the definitive report for policymakers, businesses, researchers, media organisations, and political stakeholders seeking a holistic view of Maharashtra.
